Five German Airplanes Are Brought Down-Munition Depot Blown Up.

PARIS, March 26 .- Notwithstanding the bad weather and the difficult state of the ground, the French con-

ment says, in Hospital. were thrown back by counter-attacks. The statement follows:

"Between the Somme and Oise the Germans made repeated attacks during the night on the front between Essigny and Benay by our fire or repulsed by our counter-attacks. Serious losses were inflicted on the enemy. We maintained completely the positions captured yesterday.

"South of the Oise our advance was continued notwithstanding the state of the ground and the bad weather. We pushed forward our par is beyond Folembray, south of the lower forest of Coucy.

"North of Rheims our batteries caused the explosion of a munitions depot of the enemy east of Du Godat Farm. Elsewhere the night was calm.

"Five German airplanes were brought down yesterday by our pilots. Two were destroyed by Adjutant Ortoli, bringing up to eight the number of enemy machines brought down thus far by this officer. One of our aerial squadrons last night dropped 1,008 kilograms of projectiles on factories at Thionville and in the basin of the Bricy, and also on the railroad stations at Conflans and Montmedy."
